

FIND THE RIGHT LIVRELIEF™ CREAM FOR YOU

Whatever hurts, wherever your discomfort, we have a cream that will take the pain away.

DR. JOE'S STORY

FOR PAIN RELIEF

It all started with Dr. Joe's groundbreaking natural pain relief cream that he created expressly to help his suffering wife.

From there, Dr. Joe broadened his mission – developing new formulations with unique ingredients to treat more people, more symptoms, and a wider range of common ailments. The LivRelief™ family of safe, natural and fast-acting creams was developed.

Dr. Joseph Gabriele, Bsc, MSc, PhD

Canadian Molecular Pharmacologist, Former Assistant Professor McMaster University
Winner, Health Care EY Entrepreneur of the Year 2018 Award

LOOK TO THE LIVRELIEF FAMILY OF TOPICAL PAIN RELIEF CREAMS FOR:

UNEQUALLED STRENGTH WITHOUT DANGEROUS CHEMICALS

- strongest pain relief available in cream form available without a prescription
- more than a dozen anti-inflammatory and pain relief ingredients to soothe you
- blocks more pain receptors (5) than any other over-the-counter analgesic

SAFE AND ALL-NATURAL WITH NO HARMFUL OR ADDICTIVE SUBSTANCES

- no parabens, pollutants, pesticides or environmental toxins
- formulated from natural, plant-based substances, sourced from European and Nordic countries with the highest standards for environmental protection
- more expensive but more effective
- will not cause adverse reactions when combined with your existing medication

FAST-ACTING, LONG-LASTING RELIEF

- works within 2 to 15 minutes of contact
- precisely targets the source of your pain
- up to 8 clinically-proven hours of pain relief

Thanks to our LivRelief family of pain relief creams you can take control and fight your pain without a prescription. All of our creams are fast-acting and uniquely-formulated with natural ingredients to get precisely to the root of your pain like no other, thanks to our revolutionary Delivra™.

LivRelief is safe to take with other medications without risks of interactions and is approved by Health Canada.
